2018-2019 Band Syllabus

A Note from the Directors:

Welcome to the KMS band! The purpose of this syllabus is to help you better understand the expectations and activities involved with our middle school band program. Take a minute to go over all the information in the syllabus and fill out the accompanying form for our records so that we can better serve you and your student. Please return this form, signed, by 8/17.

We are extremely proud of the students and band program at KMS and realize that it takes an intentional effort on the part of the students and families to maintain the pride and dedication needed for a truly outstanding band program. We look forward to an exciting year, and with your student's dedication and your continued support, this year can be great! Please do not hesitate to call or email us if you ever have any questions.

Sincerely,

Mr. Bowling and Mrs. Bray

I. Course Outcome:

Throughout a student's three years in the band program at KMS, it is our goal that they become a proficient musician, ready to make an immediate, positive contribution in a high school ensemble. This goal is achieved by adhering to the local curriculum guide, which also relates directly to the state and national music standards.

II. Instruction:

1. **Fees (All applicable fees are due by August 17):**

These fees are different than those for academic classes and should be paid to the KMS Band

a. Participation Fee \$35.00

Students who qualify for reduced lunch may reduce this fee to \$17.00, and the fee is waived for students who qualify for free lunch. Please submit verification of free/reduced lunch status when returning the signature forms for this document.

- b. School Owned Instrument Rental Fee: \$50 for the year. (\$50 due by August 17th) (**NOT subject to fee reduction/waiver**)
 -The only 6th Graders that will use school owned instruments are those playing tuba, bass clarinet, baritone and french horn.

Please submit a separate check for each fee. All checks should be made out to **KMS Band**.

2. Required Books and Music:

6th Grade: **Accent on Achievement, Book 1**

7th and 8th Grades: **Foundations for Superior Performance**

These books can be obtained locally at Rush's Music, Lunsford's Music, and Lane's Music.

III. Timeline:

-7th and 8th Grade will tentatively begin using instruments on August 9th

-6th Grade Beginning Band will tentatively begin using instruments on August 20th

If repairs are needed, please have them completed by these dates.

IV. Classroom Rules and Expectations:

Rules:

1. Respect yourself and others along with their property
2. Keep hands and feet to yourself at all times
3. No food, candy, gum, or anything resembling gum is allowed in the band room
4. Talk only at appropriate times
5. Be attentive and on task
6. Do not run in any area of the music suite
7. Do not throw anything

Expectations:

1. Have instrument and materials present and in good playing condition for every class. Failure to have items in class will result in a reduction of the student's weekly participation grade. Chronic problems with this could ultimately result in removal from the band program.

2. All students are to enter the room in an orderly fashion and be seated with their instrument, music, etc. at the scheduled start of class. If you are not in your seat with your instrument ready to play three (3) minutes after the scheduled start of class, you will be marked tardy. If a teacher holds a student after class and causes the student to be late, the student must get a written note from the teacher.

3. Students are not to talk, make noise, or play instruments without the expressed permission of the director during class. Disruptions will not be tolerated. Violations in this area will result in disciplinary action. If a teacher has to stop class in order to discipline a student for any reason, this will result in a teacher/student conference at the end of class. Later infractions will be referred to the Minors Log.

4. The instrument storage rooms are for storage of instruments and music only. Students should treat the instrument storage rooms with respect. If students are found mistreating the storage areas or using the storage areas incorrectly, their privilege of using these facilities will be revoked.

5. In the mornings, students may come to the band room to drop off your instrument and/or practice. Students are not permitted in the music suite without an adult present. There is no “hanging out” in the music suite in the mornings.

V. Performance/Concert Uniform:

The KMS band will perform **in black pants/skirt, white top (no tie), and tennis shoes. This is a change from years past.** Parents are responsible for purchasing all parts of the uniform. Students must be in uniform in order to perform with the band.

VI. School Owned Instruments:

Instrument care is the responsibility of the student once an instrument has been assigned. There is a maintenance fee of **\$50 per year (due** to use a school owned instrument. This covers normal wear and tear of the instrument, case, and parts. **Any damage found thereafter is the responsibility of the student and parent.** Understand that if you play a school owned instrument, you need to purchase a mouthpiece/reed, oil, grease, etc. to maintain the instrument. Please fill out and return the School Instrument Rental Agreement, along with your payment by August 17th.

7th and 8th grade Percussionists: Take your sticks and mallets every day from class in the stick bag. Sticks and mallets that are left in the band room are often broken and lost.

VII. Instrument Storage Etiquette:

Instruments and folders are to be stored in the proper cubby during the day. Cases are to be upright and latched with your instrument in them. You need to **take your instrument home with you after school every day.** You cannot prepare for class if you leave your instrument at school! Neither can you get your daily practice time in. Stickers and tags should identify your personal instrument (not school owned). Also, make sure **your name is in your book (in ink)** as these are often left in the band room. Students who share a school-owned instrument should remove their personal mouthpiece, etc. from the case at the end of each class.

Personal items should not be left in the instrument storage rooms! KMS accepts no responsibility for lost or stolen property.

VIII. Grading:

Grades will fall into two categories, “Tests” and “Weekly Participation”. Grades for a 9-week period will be given equal weight. Scheduled concerts however will be counted as four test grades. (Either four 100s, or four 0s.)

Level-ups (Tests) (50%):

Each student will be heard individually 3 to 5 times per nine week grading period. These “level-ups” will be very short exercises or selections from their current concert music. The due dates for level-ups will be announced at the beginning of each semester. If a student is not prepared on the day of the level-up or chooses to not play, they will be given a 0 until they have played the material for one of the directors. Should a student not be satisfied with a level-up grade, **they will have unlimited opportunities within the current 9 weeks to retest and replace that grade.** Retakes must be done before school from 8:00 - 8:30 AM and from 3:30 – 4:00 PM.

Required Performances:

This class has a mandatory, after-school performance component. Each performance will count as four (4) test grades. If for some reason a student has to miss a required performance, an email or parent note must be sent to the directors a minimum two (2) weeks prior to the concert. The absence will then be classified as excused or unexcused according to the discretion of the director. If your student is sick the day of the concert, or if there is an emergency, then an email or parent note must be sent the next day.

Missing a concert with an unexcused absence will result in four (4) Test grade 0s. Excused absences can be made-up by playing the concert individually for one of the directors. Students are required to make an appointment with a director before or after school. Makeups **MUST** be accomplished within a calendar week of the student's return to school. Failure to complete this make-up assignment will result in four 0s.

Weekly Participation (50%):

This component of the grading system is determined by a student's ability to fully participate in class each day. Students will begin each week with a 100 for their grade. Should they not be prepared to participate in the lesson, their weekly grade will be lowered by a proportional number of points (100 points/number of instructional days that week).

IX. Bands and other Performance Opportunities:

Concert Band:

This is the term that will be used for the groups performing at the winter and spring concerts. All 6th, 7th, and 8th, grade band students will perform in these groups. This is their required performing ensemble.

Jazz Band:

The Jazz Band is open to all 7th and 8th graders by audition. Auditions for Jazz Band will be announced at the beginning of the year. Jazz band will meet Tuesdays and Thursdays after school from 4:00-5:30. Students involved with Jazz Band must commit to being at 80% of rehearsals and 100% of public performances in order to be accepted into the group.

ETSBOA Jr. Clinic:

7th and 8th grade students may audition for this ensemble. This honor ensemble is comprised of middle school students from the greater Knoxville area. There is a \$10.00 audition fee (due in September) for this ensemble and auditions are in November. If chosen for Jr. Clinic, students will rehearse for and perform a concert over the course of two days in early December.

Knox County Middle School Honor Band:

7th and 8th grade students will be nominated by the director for participation in this clinic band. This typically occurs in January or February. More information will follow.

KMS Winterguard:

The KMS Winterguard is an auditioned, competitive group, open to all KMS students. Students in the Winterguard will be required to attend after-school rehearsals on Tuesdays and Thursdays from 4:00 - 6:00 from late November to early April. The KMS Winterguard competes in the East Tennessee Performing Arts Association (ETPAA) circuit and competitions will take place on select Saturdays from late January to early April at various high schools in the East Tennessee area. There is a participation fee for this group.

KMS Percussion Ensemble:

The KMS Percussion Ensemble is an auditioned, competitive group, open to all KMS percussion students. Students in the Percussion Ensemble will be required to attend after-school rehearsals (rehearsal schedule TBD) from late November to early April. The KMS Percussion Ensemble competes in the East Tennessee Performing Arts Association (ETPAA) circuit and competitions will take place on select Saturdays from late January to early April at various high schools in the East Tennessee area. There is a participation fee for this group.

XI. Recommended Instruments:

Instruments come in all shapes, sizes, and varying degrees of quality. If you would like your student to have a good quality horn that will make a better sound, provide a more satisfying experience in band, and spend less time with their instrument in the shop, a higher quality instrument can provide that experience. Therefore, if you are looking into buying an instrument for your student, there are several brands that are reputable and recommended. Here is a list of instruments and brands that are recommended for purchase:

Flute: Gemeinhardt, Bundy, Jupiter, Armstrong, Yamaha, Eastman

Clarinet: Selmer, Bundy, LeBlanc, Buffet, Yamaha, Armstrong

Saxophone: Selmer, Yamaha, Jupiter, Bundy

French Horn: Please consult Mr. Bowling directly if planning to purchase a french horn.

Trumpet: Bach, Bundy, Getzen, Holton, Jupiter, Yamaha, Conn, Blessing, King, Eastman

Trombone: Bach, Yamaha, Conn, King, Jupiter, Getzen, Holton, Eastman

Baritone: Please consult Mr. Bowling directly if planning to purchase a baritone.

Percussionist in 6th grade will rent bell kits that have bells and a drum-pad included. In 7th and 8th grade, they will play on school owned equipment, but will be responsible for providing their own sticks and mallets. All 7th and 8th grade percussionist should own the following mallets and sticks:

Stick bag, concert snare drum sticks, hard plastic rubber mallets, soft yarn mallets, timpani mallets.

These items can be purchased locally at Rush's Music, Lunsford's Music, or Lane's Music. They can also be bought online at places like steveweissmusic.com, or wwbw.com.

XI. Communication:

The KMS Band program utilizes three means of communication and information dissemination. They are listed below in order of importance.

Website (www.kmsband.org)

The KMS Band website is intended to be the primary place to go for all band related information. Please check the website often for forms, postings, and calendar updates. There is also a way to register to receive and email when new information is posted.

Remind

Remind is a free messaging service that is used by the band to send important information to specific groups of people. For example, we may send a reminder to the members of the Jazz Band about an upcoming performance. These messages are either sent to your phone as a text message or sent to your email. Instructions for signing up for Remind are available on the KMS Band website. Please register for all groups in which your child participates.

Email

Email is used by the KMS Band to send information to large groups of people. For example, we may send out an email to the entire Band program regarding the Spring Concert.

XII. Fundraisers and Donations

Each year, the Band program has two fundraisers (fall and spring) to help pay for the annual operating costs of the program. Given the level of funding from Knox County Schools (\$500 annually), student and parent participation in the fundraiser is vital to the program. Many items such as music, supplemental instruction, equipment, and supplies are directly tied to monies raised through the annual fundraisers.

Monetary donations to the Band are the most efficient way to help the Band and are always welcome. All donations should be made to Karns Middle School and designated for use with the KMS Band. All donations are tax deductible. Should you or someone you know like to donate to the program, please contact Mr. Bowling so that he can get you the proper documentation for your taxes.

Parents and students, please print and sign the forms below and return it to Mr. Bowling by August 17th.

KARNS MIDDLE SCHOOL BAND

Erin Bray, Assistant Director

erin.bray@knoxschools.org

PLEASE SIGN AND RETURN THIS FORM AND YOUR PAYMENT TO MR. BOWLING BY AUGUST 17

*We have read the KMS Band Handbook. We have been made aware of the high expectations and behavioral standards established for participation in this program. We also understand the grading policy and requirements and that Band, although an elective, is a full year commitment. Lastly, we understand that the **band fee of \$35 is due by August 17th**. In addition, if you are using a school instrument, **the school instrument fee of \$50 is due by August 17th**.*

Parent/Guardian Signature _____ Date _____

Student Signature _____ Date _____

Students who receive free or reduced lunch are eligible for a fee waiver or reduction (**the flat \$35 band fee only**). Please check one of the following:

_____ My student **does not** qualify for a waiver of this fee.

_____ My student qualifies for a reduction of the fee. I have included \$17.00 with this form.

_____ My child **does** qualify for a waiver of this fee. Please waive the entire fee.

Parent/Guardian Signature _____ Date _____

*****Please Note*****

Please submit a separate check for each fee (Band, Instrument Rental, Shirt). This allows the KMS bookkeeper and me to account for your payments more accurately. If paying with cash, please make sure that your student receives a receipt.
